TERMS OF THIS AGREEMENT

During the feature period, The Lost Pages Bookstore will dedicate its primary display wall space exclusively to the Featured Artist's work. No other consignment artist's original artwork will be displayed in that space during this time.

Revenue split:

- All sales during the feature period follow a 75% to artist / 25% to The Lost Pages Bookstore split.
- Payment will be issued within 30 days of the feature period end date, with an itemized sales report.

Original works:

- Original works remain the property of the artist until sold.
- Unsold originals must be retrieved by the artist within 14 days of the feature period end date.
- Originals not retrieved within 30 days will be considered donated to The Lost Pages Bookstore unless other arrangements are confirmed in writing.

Prints:

- At the artist's option, prints may remain on consignment at the Store after the feature period ends under the terms of the standard Artist Consignment Agreement.
- Prints not continuing under consignment must be retrieved within 14 days of the feature period end date.

Display and photography:

- The Store determines specific placement and hanging arrangement within the featured display area.
- The Store may photograph featured works for social media, the store website, and marketing materials. The artist's name will be credited in all such use.
- The Store will not reproduce or commercially exploit works beyond this promotional purpose without written permission.

Artist responsibilities:

- The artist agrees to deliver works in display-ready condition (wired for hanging where applicable) by the display start date.
- The artist agrees to promote the feature on their own social media channels and tag The Lost Pages Bookstore where possible.
- The artist warrants that all works are their own original creations and that they hold full rights to sell them.

The Store is not liable for loss, theft, fire, flood, or damage beyond reasonable care. Artists with works of significant value are encouraged to carry their own insurance while works are on the premises. The Store will notify the artist promptly of any known damage or loss.

ACKNOWLEDGMENT

Both parties agree to the terms above. This agreement covers the featured display arrangement only. Ongoing print consignment after the feature period is governed by the separate Artist Consignment Agreement.
